## 25th Biennial Central Convention Pakistan Islamic Medical Association

Dear Doctor, Assalam-O-Alaikum.

Lahore 31st March & 1st April 2018

Pakistan Islamic Medical Association (PIMA) is holding its 25th Biennial Convention in the historic city of Lahore on 31st March and 1st April 2018. A huge number of doctors from all fields of medical profession will participate. The two days Program of the convention will include thematic lectures by renowned scholars, state of the art presentations by experts in various medical disciplines and panel discussions on issues facing the profession. Review of PIMA activities and achievements will be presented. The role of PIMA as the largest Medical Relief Organization of the country and the challenges being faced to achieve the excellence in the service of humanity will be discussed. Eminent scholars from all over the globe are invited as speakers.

PIMA is the largest organization of Doctors in Pakistan, founded in 1979 with mission to achieve The Almighty Allah's pleasure through selfless and indiscriminate service to humanity and to invest in the character building of physicians on the principles laid down by Allah SWT and His messenger (p.b.u.h.). The convention will provide you an opportunity to know more about PIMA and to join hands with PIMA in the struggle for its noble mission. 25th Biennial PIMA Convention will be a unique opportunity

to meet your friends from all over Pakistan, to refresh past acquaintances and to interact with colleagues from all walks of profession.

For your convenience the convention registration form is attached with this brochure. Kindly fill out the form and submit at the nearest PIMA office or mail to the address given below along with appropriate registration fee.

Complimentary (free) accommodation, on shared room basis, will be provided to the registered delegates from outside Lahore. If you need separate or family accommodation at a hotel of your choice, please contact us for negotiated rates at selected sites.

The weather in Lahore at the end of March is pleasant and slightly warm and you will need only light clothing. Lahore is a city of Gardens & the convention dates fall in spring with full blossom. Lahore is famous for its historical places from the Mughal age and the colonial era. Badshahi Masjid, Royal Fort, Shalamar Garden, Minar-e-Pakistan and the Historical Museum are of special interest for the visitors.

Looking forward to meet you in the convention.

Yours Sincerely,

**Prof. Dr. Hafiz Ijaz Ahmad**
