PAKISTAN ISLAMIC MEDICAL ASSOCIATION

Dear Doctor, Assalam-O-Alaikum

Pakistan Islamic Medical Association (PIMA) is holding its 25th Biennial Convention in the historic city of Lahore on 31st March and 1st April 2018. A huge number of doctors from all fields of medical profession will participate. The two days Program of the convention will include thematic lectures by renowned scholars, state of the art presentations by experts in various medical disciplines and panel discussions on issues facing the profession. Review of PIMA activities and achievements will be presented. The role of PIMA as the largest Medical Relief Organization of the country and the challenges being faced to achieve the excellence in the service of humanity will be discussed. Eminent scholars from all over the globe are invited as speakers.

Complementary hotel accommodation, on shared basis, will be provided to the registered delegates from outside Lahore. Hotel accommodation can be arranged for those participants who would like to stay in hotels at their own expense. In case you choose to avail this facility, kindly inform us before 20th March 2018. The discounted rates of some of the hotels are given below.

Please contact for:
