Final Announcement
DATE CHANGED

18th BIENNIAL PROVINCIAL CONVENTION

FAISALABAD

7th MAY 2023

VENUE
Faisalabad Medical University, Punjab Medical College

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

As-Salam-o-Alaikum

PIMA central and provincial conventions are held alternatively on Biennial basis. PIMA Punjab is going to hold its 18th Biennial Convention on 7th May 2023 (Sunday), in Faisalabad. Initially it was decided to organize it on 30-04-2023 but due to uncertain situation about Punjab Assembly Elections on the same date, we had to change the date of the convention.

The convention will have a Dawa session, a session on Relief work, A session on Current Scenario for Muslim Ummah in general and Muslim doctors in particular, three parallel Scientific sessions and a Business (organizational) session. Dawa session will include a thematic talk. This occasion would provide you an opportunity to meet up with your colleagues from all over the province to share your ideas, problems, and activities in your areas. Newly elected PIMA Punjab office bearers for the session 2023-25 will also take oath on this occasion.

The theme of the convention is

وَأَنْفِقُوا مِنْ مَّا رَزَقْنَاكُمْ

جو رزق ہم نے تمہیں دیا ہے اس میں سے خرچ کرو (سورۃ النافقون، آیت 10)

The weather in Faisalabad in May is usually warm to hot. There are a few parks in and around the city namely Jinnah Garden (Company Bagh) and Gat Wala Forest Resort. A monument called "The Clock Tower" represents the centre of the city with eight bazaars radiating outwards from the centre. The city has been called the Manchester of Pakistan because of its renowned textile industry.

Free basic accommodation will be provided on a shared room basis to the delegates from far off areas of the province a night before the convention. Special subsidised rates will be arranged for the delegates who wish to stay in hotel of their choice. All this will be possible only if you confirm your registration and choice of accommodation by 25th April 2023. Looking forward to your active participation.

Organizing committee

18th PIMA Punjab Convention Faisalabad.
