17th BIENNIAL PIMA AJK CONVENTION

Dear Bro / Sis

السلام عليكم ورحمة الله وبركاته

PIMA Central & AJK Conventions are held alternatively on biennial basis. PIMA AJK is going to hold its 17th Biennial Convention on 11th June 2023 in Rawalakot AJK.

This convention will have a thematic session, scientific session, current affairs session and session on PIMA election & oath taking of newly elected president. This convention is expected to be largest gathering of doctors of AJK in recent times. The convention would provide you an opportunity to meet up your colleagues from all over AJK to share your views, ideas & activities in your area.

The theme of the convention is:

وَأَنْفِقُوا مِنْ مَّا رَزَقْنَاكُمْ (الماتقون ١٠)

اور جو رزق ہم نے تمہیں دیا ہے۔ اس میں سے خرچ کرو۔

The weather of Rawalakot in June is usually moderately warm. There are many visiting spots in and around city. Few of them are Banjosa Lake, Toli Pir hill station, Bahrota, Gurdwara, Dareak Dam, Nargola Waterfall etc. Rawalakot & its surroundings are called "Pearl Valley" due to its captivating & mesmerizing beauty.

Free basic accomodation will be provided on shared room baiss to delegates from far off areas of AJK. Special subsidized rates will be arranged who wish to stay in hotel of their own choice. All this will be possible only if you confirm your registration and choice of accomodation before 31st of May, 2023.

Looking forward for your active participation:

Organizing Committee
